OUR GOVERNMENT. The Century of Independence embrac-

The Century of Independence embraces a collection from official sources of most important documents and statistics connected with the political history of America; also a chronological record of the principal events from its discovery to the present time, with biographical and historical eketches, etc. Printed in German and English. Nearly 600 Never before has so much practical informs

tion of the nature been published in any one The lawyer, banker, merchant and farmer will each conclude that it must have been prepared especially with reference to his convenience.

It is designed for this work to take the place in politics that Websters Dictionary does in language, and Appleton's Gausticer in general liter-ture. The binding, paper and illustrations have been made to compare with the general character of the work. Though a person can be a good citizen with-out a thorough education, no good citizen can enjoy the right of franchise intelligently with-out personning the information contained in this book
